

Johnson County Community College

EMS Program

**Announces an EMT Scope of Practice Transition Course
to be held on the JCCC Campus.**

Location: Johnson County Community College Campus
12345 College Blvd; Overland Park, KS Room: SCI 101L

Dates: February, 18, 19, 25, 26, 2012

Time: 0800-1700

Course Description

This course is designed to bridge existing Kansas certified emergency medical technicians to the new scope of practice as approved by Kansas for emergency medical technician. The course is built and delivered on the foundation of existing knowledge for the Kansas emergency medical technician. Successful completion of this course is required in order to bridge to the new level of certification as defined by the Kansas EMS scope of practice.

Course Length

The course length is 28 hours. This course counts towards the requirements for recertification of existing Kansas certified providers who are transitioning to the level of emergency medical technician. 28 total hours of recertification is required of EMTs in a 2-year cycle.

Cost: \$150.00 before Feb 4th 2012 and \$199 on or after Feb 4th
